2010 Season Summer Day Camp Information

Camp sessions are one week long. They begin on Monday and end on Friday. Camp will begin at 9:00 am and will end at 4:00 pm daily. Campers need to be dropped off at 9:00 am at the designated outdoor area where the camp counselor will be waiting to meet with your child. Campers will also need to be picked up from the camp counselor at the same designated area at 4:00 pm. Campers will only be released to the designated person(s) listed on the registration form. Please contact the office if there are any changes with your drop off and pick up person(s).

717-359-0070 or pineviewfarmls@embarqmail.com

*Camp sessions cost 200.00 per week unless admitted with a coupon, in which admission will be reduced to 175.00. Monday through Friday from 9:00 am- 4:00 pm. Camp is for children ages 6-11, boys or girls.

*A 25.00 deposit will hold your campers spot with the balance due in full on the morning of the first day of camp. Cash, Check, Visa, Master Card, and Discover are accepted.

*Campers need to bring a bagged lunch Monday through Thursday. Snacks and drinks will be provided all week. Please make us aware of any allergies or special dietary needs for your camper. A microwave and refrigerator are available in the camp room for camper lunches.

*Friday is a day of Celebration for the campers and we invite the family to join in and experience what the campers have learned and enjoyed during their week of camp. This consists of parents, grandparents and siblings only. The cook out is on Friday from 2:00 pm - 4:00 pm. Please RSVP on the form as to how many will be attending the end of week family cook out. It's a blast...be sure to try to make it. (wear comfortable shoes)

*Campers are not permitted to have any electronic devices during camp. (cell phones, ipods, MP3 players, cameras, video recorders, etc.) It is a big distraction to everyone. The children are here to learn, enjoy, experience & explore the farm during that week. They will make a wonderful scrapbook of the weeks activities here at the farm. That is one of their craft projects during the week. Our camp counselors try to capture every task during camp that the children experience for their scrap booking project.

*Parents are asked to refrain from attending the farm during their child's camp session. Camp is for the children and they simply cannot and do not interact the same while parents are closely watching over them. We want them to have the best possible experience they can while at the farm. This is why we have the Friday Family Cook Out for everyone to interact and enjoy.

*Campers should wear comfortable clothing. On days when the weather is HOT we have a water slide that the children really enjoy cooling off on. We ask that each camper bring either a bathing suit or change of clothes to camp each day. Campers should wear closed toe shoes however, flip flops may be brought in to wear over to the slide area. Clean beach towels will be provided by Pine View Farm on a daily basis.

(Please RSVP below and return to camp by Thursday)
